Powering Out of the Past - Cruising into the Future

Last years **Crazy Horse Rally 2011** was a very successful event, but many entrants complained that it was in August, sometimes cold and it was only a two-day function. Your committee have rectified this by moving the **Crazy Horse** to the Melbourne Cup weekend & making it a 3-day event Sat- Mon. Fear not the original rally dates have been replaced with the *Harold Parsons Winter Rally* in Stratford VIC, so we still have four seasonal rallies a year

This years **Crazy Horse Rally 2012** has changed with the main criteria being an invitation to all American machines up to 1957, but as our members know we don't restrict other brands from attending but we do encourage Classic machines where ever possible, if you are interested in enjoying our rally please enter early. All accommodation will be at the **Mountain View Motel**, (02) 6076 1766 ask for Fiona they have 16 rooms and a cottage. If you miss out there, next door is the *Corryong Hotel* 54 Towong Rd (02) 607601004 they may be able to help, the secret is book early as this is a well attended event

We will have a back-up vehicle with a trailer provided over the weekend as quite a few miles are involved over the 3 days. This will be Marshalled by Garry Hogg (& friends) of the famous *Hoggy's Country Bakehouse* in Coroyong with a map provided in your entry pack in case you take a wrong turn. We all meet fuelled up outside the Motel at 8.30 and everyone is to sign on before a 9.00 departure we will not be waiting or accept excuses for eating, dawdling & "pissing about"

Some of the meals are sometimes provided in your rally entry where booked, cooked breakfasts are served from 7.30-8-15am I suggest you book these as the time saved in the mornings can help you arrive on time. The other meals you will have to pay for separately. We intend to have a BBQ around the pool Saturday Evening (Mountain View) 6.30 pm & B.Y.O meat, drinks. The **Presentation Dinner** is on Sunday Evening 6.30pm at the Mountain View. The Monday Evening meal is up to you, I would suggest the *Coroyong Hotel* next door the rally entrants will be eating either there or **Legends on Hanson** licensed Restaurant (02)60762129
