Indians to the Indians?

Indian parent company Polaris has signed an agreement for a US\$50 million joint venture with Indian company Eicher which owns, among other things, Royal Enfield Motorcycles. It includes opening a manufacturing plant.

Given the opportunity for creative headlines, we'd love to think it's to assemble and sell Indian Motorcycles to the...err...Indians! However, both companies have very broad transport portfolios and this seems unlikely.

Unfortunately the joint statement from the two companies ([read it online here](#)) isn't much help.

Big meeting on the 31st (tomorrow!)

The regular end-of-month meeting on July 31 is also our AGM. It will be a great chance to catch up. Last meeting's minutes are on the final page. See you at Highway 31, 743 Sydney Rd, Brunswick.

Rally time

Time to flush the oil and charge that battery, it's rally time - or will be soon. First up is our Winter Harold Parsons Run, in Gippsland on August 18-19. There is some great riding in the area and we'll be making the most of it.

Next up is the Crazy Horse Rally (that's the good chief pictured above) in Corryong, near the NSW border. This was a big success last year and will be on over the Melbourne Cup weekend (Nov 3-6).

The entry forms to both are loaded in with this mail.

Romance in the air

We're seriously considering giving up merchandise and events and starting up the Iron Indian Match-making Agency. Outgoing Prez John Smith is the latest to get engaged, to partner Tesha Lidden.

This follows the engagement of Stevie Higginbotham and Chrissy Henshaw, plus the marriage of Mark Berthelmie and Sandy.
