Dear Steve,

AFFILIATION OF INDIAN MOTORCYCLE CLUB OF WESTERN AUSTRALIA (INC.) with IRON INDIAN RIDERS ASSOCIATION.

The Indian Motorcycle Club of Western Australia was incorporated in November 2011. The objects of the Association are to promote the preservation, restoration and use of vintage Indian Motorcycles.

As several of our members are also members of your association and because of the established cooperation between the two clubs we seek to formally affiliate with the Iron Indian Riders Association.

- 1) Affiliation between Indian Motorcycle Club of Western Australia (Inc) (IMCCWA) and Iron Indian Riders Association is a means of enhancing the worth of both clubs by extending the hand of friendship, thereby fostering camaraderie between our clubs with the intention of being able to share events and resources together to further the good of Indian Motorcycles in Australia.
- 2) The Iron Indian Riders Association may use the words "Affiliated with the Indian Motorcycle Club of Western Australia (Inc)" in club literature.
- 3) Iron Indian Riders Association members may ride as visitors in IMCCWA events. They will be required to pay the same fees as IMCCWA members and will have full access to the backup service when provided.
- 4) All other IMCCWA members rights will not be available to Iron Indian Riders Association members unless specifically agreed between the Management Committees of the two clubs.

Greetings for all members of the Indian Motorcycle Club of Western Australia (Inc)..

Yours sincerely,

Peter Robinson
